n=5

100% of respondents agreed that all meeting objectives were achieved.

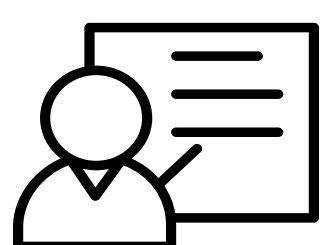

Most respondents agreed or strongly agreed that the Institute enabled them to achieve the following objectives:

1. A schedule for disseminating materials at conferences, meetings, and webinars was created.
2. Cross-disciplinary materials for dissemination and training were developed.
3. A cross-organization mission statement was developed.

"Having time to work together over 2 days was excellent. I felt as though I really contributed along with others."

Respondents gave meeting presenters and facilitators high ratings.

## 100%

of respondents agreed with the following statements:

-  The facilitators were knowledgeable
-  The facilitators were well-prepared and organized
-  The information was presented in a way I could easily understand
